Class History

FRESHMAN YEAR—1926-1927

Almost four years ago we, one hundred and ninety prospective students, entered the high school building to look it over. We were delighted with our surroundings and immediately proceeded to elect Amos Harrold, president; Mary Louise Fisher, secretary, and Harry Gardner, treasurer. Desiring to show our little streak of egotism we carried away all the available trophies of the inter-class tournament.

SOPHOMORE—1927-1928

Another school year having dawned we again began our daily grind. This time we elected Harry Shelton, president; Richard Buzzel, vice president; Margaret Kump, secretary, and Lillian Heltzel, treasurer. The important victory of this year was the boys winning the inter-class tournament. The girls, less fortunate, lost.

JUNIOR—1928-1929

This year started with a bang. Our officers elected were: Carol Talbott, president; Garrott Allen, vice president; Lillian Heltzel, secretary, and Mary Jane Wilt, treasurer. Clubs and classes willingly participated in Stunt Night, putting it over in great style. The Seniors of '29, captured the prize, scoring another mark for their class. Another great feature of our Junior year was the cake-walk and carnival.

SENIOR YEAR—1929-1930

At last we have come to the final year of our high school courses. Our officers for the first semester were: Burley Hickman, president; Margaret Kump, vice president; Mary Jane Wilt, secretary, and Harry Shelton, treasurer. The only change in the officers for the second semester was that made in the presidency to which Herman Ball was elected.

Senior's Farewell

The time has come to part, my friend,
And travel different ways;
Perhaps we'll meet again, sometime,
To talk of olden days.

If not, perhaps our fancies will
Recall good times and fun;
And memories will rise to fill
Our thoughts with things once done.

We cannot always travel life
Together, hand in hand;
Our footsteps are compelled to press
Apart upon the sand.

There're things to be encountered that
A man must meet alone;
There's problems he must solve, himself,
Concerning life and home.

The leaves must quit their branches,
As the colors fade from the rose,
All flower petals wither away,
But why—God only knows.

You see 'tis truly nature for
Beloved things to part;
And we must follow nature's way,
Although it pains the heart.

Farewell! the time is nearing now,
And comes the close of day;
The sun is sinking, sinking fast
And we must go our way.

—AMOS HARROLD.

The Freshman Class

On September 9, 1929, the members of the eighth grade class entered the portals of Elkins High School. Many were bewildered upon their entry into this mysterious jungle, but to most of them it was just a realization of the things they had heard. They found it necessary to protect themselves against the remarks and slights of older Tigers. They met at the Jungle meeting-ground end selected as their leaders the following:

President ..... CHARLES ALLEN
Vice President ..... VIRGINIA BAKER
Secretary and Treasurer ..... LOUIS LOUGHRAN
Cheer Leader ..... EMMETT SIMMONS
Assistant Cheer Leader ..... RICHARD STALNAKER

Before the Cubs had learned the intricate paths of the jungle, the cheer leader, obeying the clamoring voices of the upper classmen, proclaimed that, on the eve of the Elkins-Charleston football game, all Freshmen were to appear at Central Building, dressed in pajamas. Under the blows of Sophomores they bravely performed the snake dance without loss of life or limb on the Sophomore side.

Later in the year the Freshmen proved their worth when the Freshman-Sophomore Dramatic Club, composed mainly of Freshmen, won the first prize in Stunt Nite. In the various activities of the school, the Cubs have shown that they are good sports and that they are fast becoming loyal Tigers of Elkins High School.

Junior-Senior Dramatic Club

Sponsor ..... Mrs. McNeish

President ..... Mary Louise Fisher

Vice President ..... Lillian Heltzel

The Junior-Senior Dramatic Club was organized last fall for the purpose of training those interested in dramatics in both acting and directing plays. The Club has already presented two plays in assembly: a pantomine, "Wanted, a Wife" and a Christmas play, "Hope Foster's Christmas Star." The latter was given with the help of Miss Harsh's Freshman-Sophomore Dramatic Club.

As this goes to press, plans are being made for a Valentine play, and a play to be given at Philippi High School. These plays are under student direction.

Freshman-Sophomore Dramatic Club

The Freshman-Sophomore Dramatic Club was organized this year for the purpose of training and developing students along dramatic lines. During the first semester the Club gave special attention to gestures and voice work.

A pageant, "*The Tree of Memory*", was presented for an Armistice Day program, and at Christmas time, "Hope Foster's Christmas Star" was given by this Club and Mrs. McNeish's Dramatic Club.

Plans have been made to study ten important phases of Dramatic Art during the second semester. Also the club will present "*The Mysterious Will*", "*The Lamp Went Out*" "*The Bungalow Bride*" and various one-act plays and pantomines directed by some of the members.

Stenographic Club

The Stenographic Club, whose purpose is to help its members become good business workers, was formed on the twenty-first of September, nineteen hundred and tweny-nine, with Miss Bullivant as Sponsor. At this time the following officers were elected from the thirteen members, all of which are girls:

President ..... Helen Goley
Vice President ..... Rosealyn Knott

Various activities have been planned and carried out, while others are planned for the second semester. On Wednesday, December 18, 1929, the Club presented an assembly play called "*Diogenes Looks for a Secretary*". The scene was that of an office, which was in keeping with the work of the Club. Before the Christmas holidays, the club members sold Christmas cards and made a profit of eight dollars for their treasury.

On Tuesday, January 14, 1930, the Club conducted a Typewriting Contest. There were twenty-four contestants. Prizes were presented to the winners in accuracy and speed in both Typewriting I and II. The winners in Typewriting I were: Speed, Ronald Harper; Accuracy, Vera Gilmore. In Typewriting II: Speed, Elda Trieber; Accuracy, Ruth Pingley.

ACTIVITIES

The aim of our Club is to keep those who are in poverty and distress well cared for. We feel that we have accomplished a great deal, for instance: we distributed clothes to those in need. At Christmas time with the help of the Red Cross, we sent a box to Glady, W. Va., which consisted of clothes, fruits and toys. The children who received the box had never known what Christmas meant before.

We are now sewing on clothes for the benefit of needy school children. We hope to accomplish other things in the near future. We are planning for our Club to become a National Girl Reserves.

Athletics

A History of Athletics in Elkins High

THE first athletic team of any kind ever to represent Elkins High School was a basketball team organized in November, 1910, and was coached by C. W. Jackson, former Ohio State player. The team was granted the Y. M. C. A. floor on which to practice on Tuesday and Thursday of each week from 2:30 to 4:00 p. m. At this time the total enrollment was eighty-one students. The first game was played with the Y. M. C. A. Cubs on January 10, 1911. Following is the line-up and score of that game:

Elkins High—30	Position	Cubs—24
Dick Hammil	Forward	Wilbur Lawton
Dave Barry	Forward	Wilson Ward
Charles Whetsell	Center	Harry Adamson
Frank Wimer	Guard	Ross Leader
Clay Whetsell	Guard	Gilbert Overholt
Chalmer Gifford	Substitute	Ray Cost

Elkins High won the series of three games from the Cubs and that completed the schedule for the season.

The first game played away from home was that with Buckhannon High in February, 1912. The score of this game was E. H. S. 32-B. H. S. 8. This team also won the State Championship that year with eight victories and no defeats. The next year the team won eight games and last two. The team of '14 was the first E. H. S. team to play its Alumni, and defeated them 76 to 21. Again Elkins High won the State Championship by winning the First State Tourney at Buckhannon.

Now the students decided to do something else new. In the fall of 1915, a small group of industrious boys got together and organized a football team. This team played two games and lost them both; one to D-E Reserves, 12 to 0, and the other to Parsons, 7 to 6. The next two years saw successful teams in football and basketball, and the first Inter-Class Tournament was held in 1917, and was won by the Juniors.

During the season of 1917 and 1918, the basketball team was coached by Howard Ellifrits. The following year H. H. Speicher accepted the position as Athletic Coach and held this position until 1920. During these two years a track team was organized and athletics came to stay. Frank C. Wimer was next to accept the position as Coach of Athletics in Elkins High School. He began with the football season of 1920, in which he won 5 games, lost 2 and tied 1.

Since Wimer has been Coach at Elkins High, his teams have won two Sectional Basketball Championships, the State Championship in 1926, and was runner-up in 1929. Seven Sectional Track Meets have been won as well as the football championship in 1928, and second place in 1929. During the ten years that Coach Wimer has been here he has won 72, lost 18, and tied 12 football game; won 184 and lost 57 basketball games. Can you show us a better record than this?

Wimer-coached men who have made the All-State teams are:

All-State Football—"Big Sleepy" Glenn, '22, '23, '24; Myrl Kepner, '27; Charles Zirbs, '28; Ward Rice, '28; Charles Simmons, Captain, '29.

All-State Basketball—"Little Sleepy" Glenn, Captain, '26; Clay Martin, '29.

Elkins High has always been a tough opponent for all of the teams she has met, and we know she will continue to be such.

Football

ELKINS 7—PARKERSBURG 6. Thus ended a most successful season of 1929, with eight victories, two ties and one defeat. The cause? Seven fighting, hard charging Tiger linemen followed by four snarling Tiger backs —and all were coached by the best coach in the state, Frank C. Wimer. On September 1, Coach Wimer issued the call for candidates for the football team. Thirty-nine huskies reported for action the first day. Out of this group only four were members of the team of '28. This was the "greenest" bunch of pigskin chasers ever to report to Coach Wimer. Out of these thirty-nine scrappers was molded one of the best teams the school has ever had, and the second best in the State—Fairmont being declared Champs and Elkins second.

The season started off with a bang. E. H. S. 7—Alumni 0. The next game, with Parsons, proved to be easy prey for the Tigers who won 43 to 0. Who's next? None other than our own "Sleepy" Glenn and his Capitol City Warriors. The game was almost over when "Bud" Shelton tossed a beautiful pass to Captain Simmons who galloped 43 yards for the six-pointer that won the game 6 to 0. Are we lucky or has Coach "Gloomy" Wimer molded a real team out of this bunch of "greenies"?

What's this? Elkins 6—East Side 0. I believe the boys can play a little anyhow. Wasn't that a nice pass "Bud" heaved?

Ouch! Weston 6—Elkins 0. Oh, well, anyhow the boys certainly fought hard and were not disgraced by that score, and what's more on the following Saturday they trounced Buckhannon 33 to 6. I hope they get going next Saturday.

Well, I'm satisfied, are you? E. H. S. 6—Shinnston 6. Although they were outweighed 30 pounds to the man, and on a wet field besides, the Tigers outplayed them in every section of the game and would have won, we believe, if the field had been dry.

B-r-r-r. Again those greedy Tigers found a victim in their lair. After playing on foreign soil for three weeks they returned home and defeated Philippi 19 to 0. The next week they tied Morgantown 6 to 6, and next Grafton was romped on for a 42 to 6 score in the final home appearance of the year.

Oh boy! What a Thanksgiving! Elkins 7—Parkersburg 6. "Simmie" returned a punt 45 yards for a touchdown, and kicked the extra point to go into the lead with four minutes to play.

So the season ended. The following players were selected on the various All-State and All-Valley teams:

Stansbury's All-State—Simmons, Q. B. and Captain; Shelton, second team; Ball and Collett, honorable mention.

Ridgley's All-State—Ball.

All-Valley—Shelton and Ball. Second team—C. Simmons and Collett.

"Woody"

Elkins High School Basketball

A week after the close of the football season the call was issued for basketball practice to begin. The outlook at this point was bleak, for there were only three men left from the first ten of the last year's team, and one regular. Two men, Charles Simmons and Amos Harrold, were left over until the second semester. The team was first placed under fire at Mill Creek. The game was hard fought and brought the fact that perhaps a team could be made from this bunch. The Tigers progressed better from there on. They defeated what looked like an unbeatable bunch of Alumni on Christmas night. As the season progressed they continued to win until Fairmont offered the stump in their row. Fairmont came here with a fine team and gave Elkins the first defeat she had had in the Eikins High Gym.

The conference gave more interest in the games this year, and to better their standing every team in the conference fought harder to win every game. After the first setback the Tigers went after it and won the Grafton, Buckhannon, Weston and Philippi games. Then came the big game of the year—Shinnston! At the end of a fast and furious struggle the Tigers lost by a 35-29 count. This made the second defeat of the season and lowered them considerably in the conference ranking. The Tigers passed through the rest of the season with only two more defeats, Shinnston and Fairmont West Side administering one each. Elkins landed a fourth place in the conference.

On March 7 and 8, the first sectional tournament ever held in Elkins arrived. Elkins drew the Belington team the first round and defeated them 40-1. In the second round the Walkersville team, a team that Elkins had never played before, was defeated 58-9. A real

threat was offered by Philippi, but finally the Tigers pulled through with a 21 to 11 score. In the final game with Buckhannon, the Tigers upset them to the tune of 38 to 11. Elkins also won the cheering cup. Between tournaments the Tigers defeated Fairmont, East Side, 37 to 19.

The State Tournament—Elkins had it tough in the drawing, by not only having to play a preliminary game with Hinton, but also by having Wheeling and Shinnston one right after another if the Tigers should win. One Thursday afternoon the Tigers met and defeated Hinton 22 to 7. The next day one of the most important contests Elkins ever entered was held, because Wheeling, State Champions, for two consecutive years, had never lost a game for three years to a West Virginia team. Elkins gained a revenge in a 24 to 15 score.

Shinnston was to be met the same night. Shinnston had beaten the Tigers twice in the season, and Elkins was conceded small chance of winning. However, the Tigers won in a thrilling game by 37 to 19. Hundred was the downfall of the Elkins team after the fine playing against Shinnston. This team defeated Elkins by the lop-sided score of 31 to 12. Saturday night as a preliminary to the finals, Elkins played Williamson in the consolation game and returned to their old form by defeating them 36 to 12. Hundred won over Washington-Irving in the finals, 30 to 24. Elkins won the cheering cup and third place in the tournament. They also placed a man on the first and second teams.

Track

THE Track season of 1929, opened with the annual inter-class meet which was won by the Juniors who scored a total of 68½ points. The Seniors had a tough proposition to nose out the Sophomores 27 to 25½. The next meet was that with the Alumni who was defeated 78 to 48. Things began to look pretty good for a successful team, and the Tigers journeyed over to Parsons and trounced them 96 to 46.

Next came the First Annual Monongahela Valley Meet, which was held at Elkins, with Washington-Irving, Grafton, Fairmont, Parsons and Elkins participating. This meet proved to be a thriller and was not decided until the final event, the 440 relay, was run. This was the most thrilling race we have ever seen on the local field, and Elkins won it after a hard struggle. The final scores are as follows: Elkins 54⅔, Washington-Irving, 52⅓; Grafton, 20; Fairmont, 13; Parsons, 4. On the following Saturday, Elkins easily won the State Sectional Meet, scoring 65⅓ points. Scores of the other teams entered are as follows: Grafton, 36⅔; Parsons, 21; Aurora, 8; Upshur County High, 7; Philippi, 6; Terra Alta, 0. Elkins qualified twelve men, the largest number possible, to go to the State Meet at Morgantown. Martin, Harrold, Rice, Captain Fretwell and Ball showed up best in this meet, in which Elkins was placed fifth. This team also participated in the Twenty-second Inter-Scholastic Meet held in the Pitt Stadium at Pittsburg, and took ninth place.

The Tigers have not lost a dual or sectional meet for four years, and we hope for their continued success.

Prophesy of the Class of '30

LATE one evening when the fire had burned to embers, I sat thinking years from now. Suddenly I noticed a coal which seemed not only to grow larger and larger but brighter and brighter. Then I noticed a small door and soon it opened. Who should appear but a little man, rather reminding one of the King of the Golden River. In his hand he held a little shiny book. I was frightened at first, but he spoke and told me that in the book which he carried with him was written the future of every man. Of course I immediately became very interested and asked him to reveal to me the future of every member in our CLASS OF '30. I was astonished when I heard him read the following:

Stunt Night

STUNT NIGHT, sponsored by the Junior Class, was held in the Elkins High School Auditorium Friday, February 21, 1930. Sentimental plays, rollicking comedies, and tap dancing made up the program. The different classes and clubs of the school had their own special acts, and every performance was an illustrious achievement of the members of the cast and sponsors. The Senior Class presented a play entitled "Polly's Hero", a successful comedy, played by a very eminent cast. Herman Ball was the hero and Mary Jane Wilt the heroine.

The Junior Class put on a blackface comedy entitled "Haman Pops the Question". Lester Hill and Katheline Goodwin played the leading parts.

Jimmy Talbott and Donna Durrett danced and sang their way through a sentimental play sponsored by the Sophomore Class.

Between acts "Mose" Brown entertained the audience with tap dancing. The A. V. A. Club presented a play representing the Roman gods and goddesses, who directed mild jokes at several of the students and teachers of the school.

The Junior-Senior Dramatic Club put on a play for the kindergarten children, "Mother Goose's Schoolroom".

The Freshman-Sophomore Dramatic Club, sponsored by Miss Harsh, exhibited fine speciments of male legs in a ludicrous and grotesque representation of "The Breakaway". To this group Ray Hill, president of the Junior Class, presented a silver loving cup awarded to the best and most original act.

Graduates from Elkins High School have uniformly done very creditable work at Davis and Elkins College. We most cordially welcome serious-minded, ambitious students. College is for students only. Davis and Elkins College can give you standard work that will be recognized in this and other states, and the cost for the four years need not exceed the cost of one year if you had to go away from home.

We had rather have a large local patronage than a large patronage from the outside. I advise early registration this year. The twenty-seventh session opens September 17.

One of our prominent faculty members was walking along a street when he saw a crowd of boys sitting in a ring with a small dog in the center.

"What are you doing with the dog?" he asked.

"Whoever tells the biggest lie gets the dog."

"I'm surprised at you boys. When I was your age I never told a lie."

There was a moments silence, then one of the boys said: "Give him the dog."

KEIM AND KEIM

108 Second Street Established 1895 ELKINS, W. VA.

In this particular family there was an incredible number of small children. Little Willie, age 6, with five younger brothers and sisters, was taken in one morning to see his father, who happened to be laid up with the influenza.

Little Willie was quiet, almost reverent, in the sickroom. When it was time for him to go he went up to his father's bedside and said: "I bin good, ain't I pop?"

"Yes son," the old man whispered.

"Then, pop," coaxed little Willie, "kin I see the baby?"

* * * *

Robert, aged six, ardently desired a sister, and was told that if he prayed for one a baby might come. So he added to his nightly prayers a petition for a baby sister. Results not coming as soon as he wished, one night he added, "If you have a baby almost finished don't wait to put in her tonsils or her appendix, as they usually have to cut them out anyway."

GREATER SERVICE—LOWER COST

Consider...

the fact that in a few years usefulness of electricity in everyday life has increased a thousand-fold. Little more than a decade ago electric lights at a few widely-separated places in the home represented the total utility of electricity.

Today there is scarcely a task in the home, office, store or industrial plant that electricity does not do at reasonable rates. While the uses of electricity have increased miraculously, figures reveal a constant reduction in its cost. In other words, as it became more valuable to men's needs, electricity, unlike every other commodity, became easier to obtain at a lower price. Existing rates today provide lowest cost for greatest use.
